Primary Industry:

This organization helps turn inspiration; whether from a person, idea, or issue, into philanthropy building a stronger community. Hundreds of nonprofits and scholars are supported through grants and scholarships and offer strategies to achieve philanthropic goals. The focus is on addressing immediate and future needs, emphasizing long-term solutions.

History and Overview:

Founded in 1986 and has created a positive impact since. there's been 94 Million in grants and scholarships invested since being founded. we are constantly looking for the changing needs and are a proactive community leader in determining where the greatest needs exist. Currently, the strategic initiatives focus on supporting families with children and increasing opportunities for families with children to thrive in Frederick County.

Preparing for aging populations and increasing the ability of seniors to age in an appropriate environment is another strategic initiative. We are strategizing to respond to substance use disorders and increase access to qualified treatment and recovery options for individuals. Focusing on access to affordable housing, mental health needs, and disparities in service delivery. We are focused on looking at everything through a DEI lens and making sure the way we operate as a business is equitable, that we are not using outside vendors, and that everybody has the opportunity. We are being equitable in how we run our grants and scholarships.
